High-Quality Stainless Steel Hospital Holloware in Pakistan

We manufacture high-quality **hospital holloware instruments** designed for everyday clinical and surgical use. Our holloware range is crafted from premium-grade stainless steel and built to withstand repeated sterilization and long-term hospital use. Whether you're a hospital, clinic, or healthcare procurement officer, our products meet global standards for safety, hygiene, and usability.

As a trusted **hospital holloware manufacturer in Pakistan**, we supply bulk orders to major hospitals, surgeons, and distributors across the country and internationally. Our team ensures that each piece is thoroughly tested for functionality, finish, and endurance.

Our Hospital Holloware Product Range Includes:

- **Kidney Trays:** Smooth edges, mirror finish, ideal for collecting waste during procedures. Available in multiple sizes.
- **Bedpans & Urinals:** Ergonomically designed for patient comfort. Autoclavable and leakproof.
- **Instrument Trays:** For safe holding and transfer of surgical tools. Flat, deep, or covered options available.
- **Gallipots:** Perfect for holding small surgical items, cotton, and ointments. Durable and corrosion-resistant.
- **Sputum Cups:** Designed for safe collection and disposal of patient sputum.
- **Measuring Jugs:** Accurate calibrations, with handle and spout for easy usage in clinical settings.
- **Bowls (Dressing & Lotion):** High-polish finish, non-reactive surface for use in sterile environments.
- **Douche Cans & Enema Cans:** Strong welds, easy to clean, used in gynecological and general care units.
- **Sterilizing Trays with Lids:** Available in various depths, ideal for autoclaving instruments.

Every piece is CE-certified, rust-proof, and built to meet the daily demands of hospitals and clinics.
